

# Fling™

## Fling system increases soft ice cream sales and profits!

New from  
**Malibu**  
CORPORATION LTD.

Fling blends tasty chocolate chips, honeycomb and candies etc. into delicious soft ice cream to make a mouth-watering treat for your customers to enjoy all year round...  
...and profits of up to 70%!

# Add fun to ice cream... ...and year round profits for you!

- Fling increases soft ice cream sales and profits by adding a blend of delicious add-ins that transforms soft ice cream into a fabulous fun-filled treat!
- So much more than just ice cream, blend in your favourite treats, chocolate pearls, crunchy candy, syrup or fruit.
- Adds value to your soft ice cream and builds repeat sales.
- With a Fling system you can easily offer cones, tubs, a selection of desserts and real ice cream milkshakes!
- Increase your sales and profits, all year round with this high margin, proven system.
- Easy to use system includes special blender, candy dispensers, Fling station, cups, spoons and full point of sale literature.

## Fling

The Fling system consists of:

- 151 or 300T ice cream machine
- Modular dispenser, wall or work top mount
- Blender
- Eye catching Fling station
- Promotional material

*All items available individually*
