

## MODEL 200-3R-C

### Drawer Warmer

UL Listed to Canadian safety standards  
Classified by UL to NSF Std. #4

## Specifications

Wittco Model 200-3R-C three drawer heated drawer warmer is provided with a 12" x 20" x 6" steam table pan for each drawer. Drawers will also accommodate 15" x 20" x 5" pans. Recessed control panel containing dual indicator light and full range thermostat for temperatures up to 190°F (88°C) for each drawer. Individual elements and thermometer for each drawer. Heavy duty 14 gauge stainless steel drawer slides and stainless steel roller bearings provide for smooth dependable operation of the drawers. Each self-closing drawer comes with a moist/crisp vent control and the oversize drawer handle is welded to the drawer front for increased durability. Drawer slides and elements carry a lifetime replacement warranty. Fully insulated with 1" in the side walls and top. Cabinet interior and exterior are both constructed out of 20 gauge stainless steel. Each unit comes complete with 5" adjustable legs and a 6 foot cord and NEMA 5-15 plug (6-15 plug for 208/240 volt units). 120 volts, 1425 watts, 12 amps.
