

MODEL 200-2R-C -NA

Drawer Warmer

A lifetime warranty on Elements and Drawer slides

UL Listed to Canadian safety standards
Classified by UL to NSF Std. #4

Specifications

Wittco Model 200-2R-C-NA two drawer heated drawer warmer is provided with a 12" x 20" x 6" pan for each drawer. Drawers will also accommodate 15" x 20" x 5" pans. Recessed control panel containing dual indicator light and full range thermostat for temperatures up to 190°F (88°C) for each drawer. Individual elements and thermometer for each drawer. Heavy duty 14 gauge stainless steel drawer slides and stainless steel roller bearings provide for smooth dependable operation of the drawers. Each self-closing drawer comes with an oversize drawer handle welded to the drawer front for increased durability. Drawer slides and elements carry a lifetime replacement warranty. Fully insulated with 1" in the side walls and top. Cabinet is constructed out of 20 gauge stainless steel. The standard size means it can be easily retro-fitted into existing drawer warmer spaces.
